READERS' HOMES

- 28 Fifth time's a charm**
The Gillies' family home, on the outskirts of Edinburgh, proves that self-builders just get better with experience
- 40 Lost in space**
Space, light and simplicity: the Graysons had a short and simple checklist for their modern home, and they've definitely ticked all the boxes
- 52 No spilt milk**
"We knew this was going to be our 'forever' house" - a Victorian cow shed turned rural idyll
- 60 Kitchen dream**
The all-important Aga takes centre stage in the McCann's dramatically extended kitchen

HOME IMPROVEMENT

- 66 Reinventing the seventies**
An unusual north American-style home gets the full makeover treatment - keeping the quirky character, but losing the old-fashioned internal spaces
- 72 Shine on**
Stylish taps and showerheads that will inject contemporary glamour into any bathroom

PRACTICAL BUILDING

- 76 New dawn for self build**
Is this going to be the year you take the plunge? *Build It* asked some seasoned pros what they think 2010 might hold in store for self-builders
- 78 Another level**
With new, tougher Building Regulations in the pipeline for energy efficiency, here's what it takes to build yourself a 'Code 3' sustainable home

COVER STORIES

- **COVER STORY High five - fifth time lucky in Scotland** p28
