READERS' HOMES

30 Removing the barriers

A glass extension with gorgeous garden views elevates this Edinburgh house above the norm

40 Modern manor

A serial renovator of old houses, Pru Irvine took on the ultimate challenge when she project-managed the build of a new contemporary home

50 Perfectly clear

Easy maintenance and clean-lined contemporary style come together at the Hinams' family home

60 The luck of the land

Having finished one self-build, the O'Briens spied an even better plot just a stone's throw away from their new home. Time to up sticks and start again...

HOME IMPROVEMENT

71 The house next door

The "funny little 1950s thing" that turned out to be one couple's ideal London renovation project

80 Room to live

An open-plan kitchen/living room extension is currently number one on many a homeowner's list: here's what you need to know before you build one

86 We want you!

Tell us what you think about *Build It*, and you could win one of five AEG power drills from Toolstation

PRACTICAL BUILDING

92 Room by room: hallways

Warm welcome or cool reception? The design details for creating a beautiful, practical hallway

94 Building a basement

With new construction and waterproofing methods, basements have never looked like a more viable option for getting a lot of extra living space
