## READERS' HOMES

### 32 Lessons in life

Think you can't manage a build as a first timer? Check out the Friedmans' story for a little inspiration as they spread their self-build wings

### 40 Hidden gem

When it came to building their own house, the Hawkins wanted old-world charm and the latest mod cons for a comfortable home

### 50 Above par

A bungalow on the edge of a golf course provided Mark McIntosh with the perfect raw materials for a dramatic makeover

### 60 Inspired by design

Designer Heinz Voigt built an unusual home that's perfectly tailored to life with teenagers, and makes the most of its farmland plot

## HOME IMPROVEMENT

### 70 Time to open up

When the McDowells couldn't find the perfect house for themselves, they bought the next best thing and extended to transform their space

### 79 Don't be square

Tiles have gone uber-cool, with texture, pattern and bold colour wiping away the noughties' love-affair with everything neutral

## PRACTICAL BUILDING

### 94 Room by room: living rooms

Get the design details and proportions right with our essential guide to lounging around

### 88 How to build?

What build system will you choose for your home? To help you decide, here's a quick run-down on the methods used by most self-builders

## COVER STORIES

- **COVER STORY** Full house "Our home is worth £900k more than it cost to build" p40
